

## **BULL FROG** Pumping Oil

Bull Frog pumping oil gives the air hygiene treatment at the same time as the work is done from the suction pump. This is an ideal oil-based deodorant to rule out the smell of exhaust gases when cleaning septic systems, drains, oil sumps, lubricant taps and portable sanitation units.

This is the ideal product to prevent bad smells from reaching customers.

### Usage

**CAUTION: KEEP OUT OF CHILDREN'S REACH.**

Avoid contact with the skin and eyes. If this occurs, immediately wash out with plenty of cold water. If the irritation goes on, get medical treatment. Harmful through ingestion. Avoid contaminating foodstuffs.
